Project Overview

My role:

As an advisory board member I worked up some ideas to reward or encourage membership in our organization

Responsibilities:

I took the existing logo marks and modified them into t-shirts, membership stickers and mocked up a co-branded coffee bag.

Examples

I produced two sticker ideas that would be given to renewing and new members of the Friends of the Arboretum.

Examples

I produced a mockup of what a co-branded coffee label might look like using the Friends of the Arboretum logo and The Roasterie Coffee Company.

Examples

I produced t-shirt mockups for the supporter of the three "Friends" organizations, Friends of the Arboretum, Farmstead, and Arts.

Examples

I produced sticker mockups for the supporters of the three initiatives supported by the Arts and Recreation Foundation of Overland Park.
